The Munfordville sheep sale committee would like to invite you to consign animals in the Munfordville Elite Hair Sheep Sale on Saturday September 13. The sale has a two fold purpose of providing an opportunity for producers to: 1) sell quality animals or 2) purchase elite quality hair sheep breeding stock. In order to maintain the standard of quality breeding stock representative of this purpose for the sale committee and the demands of the purchasers the following consignment rules will be followed.

Consignment will start July 1st to July 15, 2025

All consigned sheep must be born prior to April 15, 2025

Each consignor may consign up to two individual rams (strongly consider we don't want to over run too many rams, in most cases one would be sufficient.) Consignors may consign up to 3 individuals ewes or 3 pen of ewes. 1 pens of ewes includes 3-5 ewes of similar size and age. Bidders will purchase 3, 4, 5 times the final bid. Entry fee will be times the number of ewes entered but will be considered as 1(one) lot.

No substitutions will be allowed after July 15 2025. Tag # must match consignment form. If you have any questions, call Randy @ 618-843-4559.

All consignment forms must also include your **premise ID number**. Scrappies tag numbers are not a premise ID. For premise ID, contact the USDA Agricultural Division or your state board of animal health or similar organization.

Minimum bids for ewes will be \$250 for commercial and \$300 for registered ewes. Minimum bids for rams are \$300 for commercial and \$350 for registered rams. Incremental increase of \$25 per bid. There will be deduction of .005% for the Kentucky Check-off program per sale.
